ACHIEVEMENTS

Served a full-time missionary for The Church of Jesus Christ of Latter-day Saints in Kiev, Ukraine from November 2002 through November 2004.

Participated in the Boy Scouting program from 1995 to 2001 and achieved the Eagle Scout rank.

SKILLS

I have a working knowledge of Excel, Word, PowerPoint, and MatLab.

I have a beginning HTML and C++ programming, ANSYS (FEA), ProE, and Catia understanding and I can learn more or different ones if needed.

I have the ability to encourage those around me to help them achieve more.

I like prototyping and working hard at problem solving until I get everything to work right.

Conversational Russian. It is not the best since it is a difficult language and hard to keep up.
